RESUME OBJECTIVE

A frontend developer with a proven ability to collaborate effectively with other developers. Enjoys working closely with team members to ensure workloads are being taken care of and personally picking up the slack when necessary. I have a passion for both personal growth and software development. I am looking forward to an opportunity to learn new languages and sharpen existing skills. Ready to apply my passion for coding to a talented engineering team to develop quality solutions

EDUCATION

University of Lagos
Bachelor in Laws (LLB)

2016- date

WORK EXPERIENCE

Ope Clegg & Co Solicitors

Legal Intern

Lagos State

December, 2018

- Conducted legal research on ongoing cases handled by the law firm.
- Went on court visitations to understand the practice and procedural law.

Africa Agility

Trainee Front-end Web Developer

Lagos State

March, 2022

- Learned to build beautiful landing page templates.
- Worked in an agile environment with sprint planning and sprint retrospectives conducted daily for three days.
- Collaborated with six front-end developers and three back-end developers, a team of UI/UX designers, artificial intelligence engineers and Data Scientists to incorporate product designs into functional web pages.
- Participated in a hackathon (pharmacies connection project) that helped to proffer solutions to the difficulty in accessing prescribed drugs by patients.

LEADERSHIP EXPERIENCE

- Front-end team lead and compiler at Africa Agility, Girls in Tech Bootcamp (March, 2021). Galvanized the front-end developers to work towards developing a website for a group project that helped to proffer solutions to the difficulty in accessing prescribed drugs by patients .
- General Secretary, Justice Oputa Students' Chamber, Faculty of Law, University of Lagos (2019). Handled correspondence for the chamber, organized other secretaries in the fulfillment of their roles and managed the LinkedIn account of the chamber
- Public Relations Officer at Justice Oputa Students' Chamber, Faculty of Law, University of Lagos (2018). Planned and organized the activities that promoted the image and understanding of the chamber, came up with publicity strategies for events of the chamber, and handled the social media accounts of the chamber.
